FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Alcohol and Tobacco Control (ATC)** assume this proposal would not have any fiscal impact. ATC states Section 311.176 applies to tax exempt licensees in St. Louis City who might want a 3:00 a.m. license. Since pretty much any licensee can already obtain a 3:00 a.m. license in St. Louis City if they want one, ATC doesn't project that there would be an increase of licenses in St. Louis City (there are currently only 5 Tax Exempt Licenses issued in St. Louis City). Also, under 311.178.1, St. Louis County has not been designated as a convention trade area, so the licensees that currently have a tax exempt license located in St. Louis County also would not be able obtain this 3:00 a.m. license even if this bill passes.

Officials from the City of St. Louis did not respond to our request for fiscal impact.

FISCAL IMPACT - Small Business
